

PRESIDENT: Senator Clark speaks highly of you too, Senator Wesely. (laughter) Senator Vard Johnson.

SENATOR V. JOHNSON: Mr. Speaker, members of the body, I would appreciate in the future if resolution introducers got up to speak if they would just simply say the name of the town, like Sidney, and sit down, and we could vote on the resolution.

PRESIDENT: Well it is a suggestion at least. Anybody else wish to enter into the free-for-all? Any further discussion on Senator Baack's resolution 76? If not...Senator Haberman.

SENATOR HABERMAN: No. I just wanted to announce to the body I'm going to read all four pages of each one of mine, so it is all right.

PRESIDENT: All those in favor of adopting LR 76 vote aye, opposed vote nay. Have you all recorded your vote? Have you all recorded your vote on Senator Baack's Sidney centennial resolution? Record the vote, Mr. Clerk.

CLERK: 38 ayes, 0 nays on adoption of LR 76, Mr. President.

PRESIDENT: The resolution is adopted. LR 250.

CLERK: 250, Mr. President, was offered by Senators Johnson and DeCamp. It was referred to the Government Committee. I do have Government Committee amendments, Mr. President, to the resolution.

PRESIDENT: Amendments? Senator Haberman.

SENATOR HABERMAN: Point of order, Mr. President.

PRESIDENT: State it.

SENATOR HABERMAN: Mr. President, I would like to suspend the rules, vote on all the resolutions except the last three.

PRESIDENT: Very well. There is no motion here.

SENATOR HABERMAN: I'm writing it. I'm on my way up.
